Space Clearing & Blessing Policies, Terms, and Conditions

**SPACE CLEARING & BLESSING POLICIES:**

During the Space Clearing & Blessing, Maura Kirby uses flower essences, Reiki symbols, crystals, and essential oils to remove negative energy, spirits, and entities that may exist in a location and replace it with love, light, and protection from Spirit.

Maura Kirby works directly with Archangel Michael, other Archangels, and Ascended Masters to offer protection, light, and love from the Spiritual Realm. Maura and her Spiritual Team have the ability to remove malevolent entities and energy parasites, assist earthbound spirits into the light, and seal energetic portals and gateways to prevent the energy and entities from re-entering the space.

Rather than smudging (burning of herbs), which could impact people with environmental allergies, asthma, or chronic lung issues, Maura Kirby uses a clearing and releasing flower essence spray to cleanse and purify the location without the effects of smoke.
